GED Students Recognized

East Central Technical College's Fitzgerald Adult Learning Center completed Summer Quarter classes on September 17, 2008. Students enjoyed an end of quarter celebration and were recognized for completing at least one level during the quarter. Each student received a certificate for his/her accomplishment.

If you are interested in attending GED classes, please contact Julia Ray at the center located at 115 East Pine Street or call 423-8200. Both day and night classes are available.
