Do You Need to Complete a GED in 2009?

If you need to complete a GED to get a better job or to enter a technical college, you can attend class in Rochelle at the Wilcox Adult Learning Center. East Central Technical College offers an Adult Education/GED class at the Wilcox campus. The class meets from 8 a.m. until 12 noon Monday through Thursday. If you are 16 or 17, you need a withdrawal from school and must meet attendance requirements before you can take the GED. If you are 19 or older, you can come to class, register, and begin preparing for your GED on the first day in class.

The GED is given each month at East Central Technical College in Fitzgerald; some months will have two test dates, one of which will be a Saturday. To take the GED, you must attend registration on the Fitzgerald campus. The fee is \$19 for each part of the GED or \$95 to take all five parts. For students who meet the attendance requirements and have good scores on the practice tests that are given in class, there are scholarships available to pay the fees for taking the GED. For more information about the class in Rochelle, call Lethia Kittrell at 229-365-7983 or Julia Ray at 229-423-8200.
