Driver's Education Program at ECTC

ECTC has scheduled a Driver's Education Course to begin in December. This 36-hour course is designed for young drivers. All students must have a valid Georgia learner's permit in order to register for this class. The course includes 30 hours of classroom instruction and 6 additional hours of on the road experience. Most insurance companies offer a rate reduction on insurance premiums for those individuals successfully completing this course. The 30-hour classroom instruction dates and times are as follows: December 10, 11, 17, & 18 (4 – 7:30 p.m.), December 22 (8 a.m. – 3:30 p.m.), January 5 (8 a.m. – 3:30 p.m.), and January 6 (4 – 7 p.m.). The six additional hours of on the road experience will be scheduled upon completion of the 30-hour classroom instruction. Classes will be held on the Ben Hill-Irwin Campus. The fee for the course is \$275. For additional information or to register, contact Gail Giddens, at 229.468.2074.
