It's Not Too Late to Earn Your GED Before the End of the Year!

East Central Tech will offer the GED three more times during 2008. GED registration and testing sessions are held on the Coffee Campus of ECTC. The GED test is for those who did not complete high school and would like to earn a General Equivalency Diploma (GED).

Pre-registration is mandatory to take the GED. Registrations are held on the Coffee Campus located at 706 West Baker Highway in Douglas. To register, you must bring a valid, government issued photo ID. Registration is taken on a first come-first served basis so it is important to be on time.

Cost for the full test battery is \$95. Those who complete the GED are eligible to receive \$500 in additional HOPE scholarship money to further their education at ECTC. Restrictions on HOPE eligibility apply.

Persons needing assistance preparing to take the GED can receive FREE help through East Central Tech. For more information on this service, contact ECTC's Adult Literacy program at (912) 389-0053. For more information regarding the GED, contact Gail Giddens at 229-468-2074 or ggiddens@eastcentraltech.edu.

Final Testing dates for 2008 are:
