### **ECTC Students Attend Fall Leadership**

East Central Technical College student leaders attended the 2008 Georgia Fall Leadership Conference that was held at the Renaissance Waverly in Atlanta, GA November 21-23, 2008. During this conference, the students attended leadership workshops in their officer or membership areas. They also were able to choose additional workshops such as Diversity Matters, Meeting Protocol, Working with Different Styles, and one of the most sought after sessions Business Etiquette with Marty Beliveau.

On Saturday students had the opportunity to participate in a March of Quarters Mini Walk in which each person donated \$10 to the March of Dimes. With ECTC's students contributions over \$3000 was raised.

According to Lisa Howell Advisor for Student Organizations, "Fall Leadership provides the students with not only the opportunity to network with other postsecondary technical college student leaders from around the state, but to grow in their own leadership skills. It really is a life changing weekend that I am honored to be a part of with the students. They come back rededicated to enhancing the East Central Technical College experience for all students."
