### **Atherine Robinson to Attend EAGLE Leadership Institute**

Atherine Robinson has been chosen to represent East Central Technical College's Adult Education Program at the EAGLE Leadership Institute February 11-13, 2009. The Leadership Institute recognizes and honors those students who have demonstrated superior achievement in adult education classes and programs. Atherine was thrilled when selected by her instructor, Sharon McLaughlin. Ms. McLaughlin states that Atherine is a very dedicated student who helps encourage others to pursue their dreams of completing their education.

EAGLE is the first statewide program in the nation that recognizes and rewards excellence among students enrolled in adult education programs. This student recognition program is designed to create greater awareness of educational opportunities that are available in local communities across the state and to foster greater involvement in lifelong learning pursuits.

The Technical College System of Georgia (TCSG) through its Office of Adult Education (OAE) sponsors the annual Exceptional Adult Georgian in Literacy Education (EAGLE) Leadership Institute.
