### **Who's Who Announced at East Central Tech**

A total of 36 students at East Central Technical College were recently informed of their selection for Who's Who Among Students in American Junior Colleges. Students were nominated by their instructors for this national honor based on their academic excellence, outstanding work ethics characteristics, integrity, and demonstrated potential for future success. East Central Tech's President, E. J. Harris said, "These are East Central Technical College "top guns"; they will be our future leaders. We're very proud to recognize their achievements."
